

SpEd Tech Evaluation Guide

Evaluate technology tools for special education

classroompulse.io

Evaluation Criteria

- Accessibility features (screen reader, high contrast)
- Data privacy compliance (FERPA, COPPA)
- IEP goal alignment capabilities
- Progress monitoring features
- Parent communication tools
- Integration with existing systems

Cost Considerations

- Per-student vs. site license
- Training costs included
- Ongoing support availability

Evaluation Notes

Simplify Behavior Tracking

Classroom Pulse provides digital tools for all your behavior data needs. Start your free trial.
