

Frequency Recording Sheet

Track countable behaviors across the school day

classroompulse.io

Student & Observation Details

Student: _____

Observer: _____

Date: _____

Setting/Activity: _____

Target Behavior Definition

Tally Guide

How to Use This Sheet

Use tally marks for each clear occurrence. Count only behaviors with a distinct start and end. At the end of each time block, total the tallies and note any context that may explain spikes.

Daily Frequency Grid

Time Block	Tally Marks	Total	Notes
Arrival / Homeroom			
Block 1			
Block 2			
Specials / Elective			
Lunch / Recess			
Block 3			
Block 4			
Dismissal / End of Day			

Summary

Total occurrences: _____

Observation minutes: _____

Rate per hour: _____

Highest-risk time block: _____

Pattern Notes

Turn Tallies Into Trends

Classroom Pulse converts quick counts into graphs, rates, and summaries automatically so your team can act faster.
